

EMC VERIFICATION

No. 9542124

EQUIPMENT

Type of equipment	Electromagnetic door-holder
Brand name	Elomek
Type / Model	711, 712, GP, GPT, GPM, 720, 720T, 720M, 721, 721T, 721M
Manufacturer	Elomek Försäljnings AB
By request of:	Elomek

SUMMARY

The product is to be regarded as a modular component to be used in an electrical apparatus/system, which in turn has to fulfil the EMC- requirements according to the standards relevant for the apparatus/system.

The product itself does not need to be EMC approved for CE marking according to EMC Directive 89/336/EEC.
